Re: Annual Household Hazardous Waste Collection Event - 2024

Dear Township Supervisors:

Starting this year, the Clinton County Solid Waste Authority will be sponsoring a Household Hazardous Waste (HHW) Collection Event on an annual basis. This free event will typically be held on a Saturday during the summer months and will enable residents to properly dispose of hazardous chemicals that could otherwise contaminate our environment.

The 2024 Household Hazardous Waste (HHW) Collection Event will be held on July 20th, at our Recycling Center in Wayne Township.

Thank you for your continuous support of this event. I have included a flyer for this event. Please feel free to make copies for residents of your community. If you have any questions please feel free to contact Thresa Lingenfelter at 570-769-6977.

Sincerely,

Clinton County Solid Waste Authority

Michael L. Crist
